

Dinosaur Invasion

The Friends of Union County Library (FOUCL) wish to thank the many local Blairsville businesses who gave generous donations to Union County Public Library's Summer Reading Program with gifts given through FOUCL. These businesses include our biggest giver United Community followed by, in alphabetically order, Book Bound Bookstore, Chick-fil-A, Hole in the Wall Restaurant, The Laughing Giraffe Toy Store, Logan Turnpike Mill, Luxe, Megatone, Papa's Pizza, Read Write Create, Sicily's, Smoothies & Supplements, Sweet Pea's Downtown Eatery, and Von Chocolate & Gelato.

We would also like to thank all those who stopped by to see us at the Union County Farmers Market and who bought a book at our Blind Date with a Book event on May 30. The funds raised through this event also went toward helping cover expenses of the Summer Reading Program (SRP).

Unearth a Story is the theme of this year's SRP. That means lots of dinosaurs! Programs are open to children, teens, and adults and no library card is required, although it is very easy to get one – just bring ID and proof of residency, like a local utility bill in your name. For a full calendar of upcoming monthly events visit www.mountainlibrary.com/events.

There are always great opportunities for education and entertainment at the library, especially in the summer, because libraries aren't just books!
